

CAMP FEATURES

Dear Coaches;

Wayne State University will be hosting 2 weekends of High School Team Camps. This is a tremendous opportunity for you and your team to play a minimum of five games in a two day period, against some of the best teams in Detroit, the Metro area, Northwestern Ohio, and Canada.

We believe the experience that can be gained by playing in one or more of our weekend shootouts will prove very valuable to your team. We provide excellent facilities, registered officials and quality opponents at an affordable cost. All you have to do is coach. Play will begin at 9:00 am on Saturday and will resume Sunday morning a 9:00 am. We look forward to seeing you this summer.

Remember, we're only accepting a limited number of teams, on a first come, first serve basis. Clip the attached registration form and send it in early.

You don't want to be left out of the excitement!

Sincerely,

David
